Dear Patients:

As you well know, throughout every school year there are many children in our community who go to school hungry. As school begins on August 23rd we want to help as many children as we can.

Can we count on you this year?

Reese Chiropractic is partnering again with First United Methodist Church here in Stillwater to send food home with children each Friday. Last year we raised \$2,200 to provide children with weekend meals. During the month of August, we are aiming higher! Your donations will be used to purchase healthy food items such as: vegetables, fruit, a protein source, and a snack.

New Patients! *For a donation in *any* amount, you will receive:

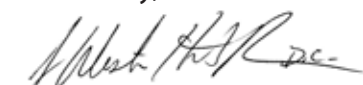

Complete 1st visit, including:

- Consultation
- Orthopedic and neurological exams
- Computerized muscle test
- X-rays (if indicated)
- Report of findings

Established Patients! Help us spread the word! Some of you have been trying to convince your friends and family to see Dr. Reese. Now is the perfect time for you and your friends to invest in helping your community. Please consider donating to this worthy cause during one of your regularly scheduled appointments, or by contacting our office at **(405)372-9200**.

Together we can make sure that no child spends an entire weekend without any nutrition. Thanks in advance for your support!

Sincerely,

Dr. Heath Reese
